Public

Year: Methodology Year: 2024
Question: UN Global Compact Membership
Include Modeled Scores : Yes

UN Global Compact Membership

Question

Is the company a participant of the UN Global Compact?

Rationale

The UNGC is a reference point for investors to apprehend which companies are truly committed to sustainable growth. Indeed, being a participant/signatory of the UNGC requires a public commitment of the company's CEO and the yearly release of a Communication on Progress. Therefore, this question aims to verify whether companies have taken this important public stance, regardless of their size.

Performance Summary	
Question Level Company Performance	100
Question Weight	10
Year-on-Year Change	0
Industry Average Score	27
Industry Highest Score	100

The question layout and the company's verified information is provided below. No information is shown if the company did not provide any information or if it opted out of sharing non-public information.

Additional Question Guidance & Information Display

Data Requirements

In order to accept answers, we need to verify your company's participation in the UNGC in the public domain. Please, attach a public letter of commitment or last year's Communication on Progress.

Please note that we also accept a link to the list of active members on the UNGC website where we can verify the name of your company.

Taiwanese companies not already members of the UNGC should select "Not applicable" and provide explanations in the comment box.
