Based on latest available data.
Public and Other equals total shares outstanding minus the sum of Institutions and all other Strategic Owners.
Reported Currency is the local currency of the equity listing, and currency conversion is based on today's spot rate.
Shares Held includes positions from 13F filings plus data aggregated from the mutual funds of non-13F filers. Excludes any positions held by non-US mutual funds managed by 13F filers.
Total Shares Outstanding can exceed 100% because reporting requirements for holdings data is not aligned with the financials reporting of shares outstanding.
Market value is calculated using the closing price 55.41 MXN as of 10/6/2026.
