Include Modeled Scores : Yes

Workforce Trade Union and Collective Bargaining Coverage

Question

Does the company publicly report on the total percentage of its employees that are represented by an independent trade union or covered by collective bargaining agreements?

Rationale

We assess various Labor KPIs at an organization to determine the quality and transparency of its reporting. In line with ILO Convention No. 87 and No. 98, this question assesses if your company allows employees to join an independent trade union.

Performance Summary	
Question Level Company Performance	50
Question Weight	28
Year-on-Year Change	50
Industry Average Score	60
Industry Highest Score	100

The question layout and the company's verified information is provided below. No information is shown if the company did not provide any information or if it opted out of sharing non-public information.
