UN Global Compact Membership

Question

Is the company a participant of the UN Global Compact?

Rationale

The UNGC is a reference point for investors to apprehend which companies are truly committed to sustainable growth. Indeed, being a participant/ signatory of the UNGC requires a public commitment of the company's CEO and the yearly release of a Communication on Progress. Therefore, this question aims to verify whether companies have taken this important public stance, regardless of their size.

Data Requirements

In order to accept answers, we need to verify your company's participation in the UNGC in the public domain. Please, attach a public letter of commitment or last year's Communication on Progress.

Please note that we also accept a link to the list of active members on the UNGC website where we can verify the name of your company.

Taiwanese companies not already members of the UNGC should select NAP.
