Data Requirements

For companies producing only alcoholic beverages: Please mark this question and all other questions in this criterion as Not Applicable.

For bottling companies: Please answer these questions based on the strategies, approaches, and initiatives of the beverage producers you work with.

For Food Retailers: Please answer these questions referring to your private label products.

Supporting evidence:

- The document(s) you attached will be used to verify the qualitative part of your response. If a question text field is available, a comprehensive answer in that field can be accepted instead of a supporting document. Any qualitative response that cannot be verified in the attached document(s) or via the information provided in the related question text field (if available) will not be accepted.
- Quantitative figures provided in the response do not need supporting evidence. You may still provide a reference using the reference clip. This could include examples of the underlying calculations or approaches to data aggregation used to compile the provided quantitative information.
- The supporting documents do not need to be available in the public domain.

Standards & Frameworks

GISD - Consumer Staples: Revenue from (1) zero- and low-calorie, (2) no-added-sugar, and (3) artificially sweetened beverages, Consumer Staples: Revenues from organic products and percentage of sales from nutritious foods

Data View
