Periods Filter only applies to Key Financials

Per Share Items are based on the company's primary ticker.

All results are taken from the most recently filed statement for each period.

All forward period figures are consensus mean estimates provided by the brokers and may not be on a comparable basis as financials.

Growth Rates for forward periods are calculated against prior period estimates or actual pro forma results as disclosed on the Consensus Estimates page.

Growth Rates are calculated in originally reported currency only and will not reflect any currency conversion selected above.
