Workforce Trade Union and Collective Bargaining Coverage

Question

Does the company publicly report on the total percentage of its employees that are represented by an independent trade union or covered by collective bargaining agreements?

Rationale

We assess various Labor KPIs at an organization to determine the quality and transparency of its reporting. In line with ILO Convention No. 87 and No. 98, this question assesses if your company allows employees to join an independent trade union.

Key Definitions

Collective bargaining agreements: Written legal contracts between an employer and a union representing the employees. These agreements can be at the sector, national, regional, organizational, or workplace level.

An independent trade union: A trade union which is not under the control of an employer or group of employers or of one or more employers' associations, and is free from interference by an employer or any such group or association.

Data Requirements

Percentage of employees covered by collective bargaining agreements: Employees who are eligible but are not actually covered by collective bargaining agreements should be excluded from the count.

This question requires public evidence.

Please note: If you have less than 100 employees or no employees in your organization, then **please mark the question as "Not applicable"**.
