Quarterly Results

Highlights

- **Despite the tough comparison, Net Sales excluding FX rate impact increased 0.5%,** reflecting robust sales growth across all regions, most notably EAA and Mexico, except North America, as well as the contribution from past acquisitions
- **Gross Margin expanded 120bps to 52.3%** due to lower raw material costs and favorable mix across all regions
- **Operating margin contracted 60bps,** primarily due to soft volume against semi-fixed overhead costs and investments in the supply chain which will enable long-term benefits
- **Adjusted EBITDA(1), excluding FX rate impact, increased 1.4% and the margin expanded 20bps,** reaching a historic 14.2% for a 2Q
- **Net Majority Income margin** contracted 60bps
- **Return on Equity(2)** closed at **11.9%**
- **Net Debt/Adjusted EBITDA(3)** ratio closed at **2.6x**

Recent Developments

- **Grupo Bimbo reduced its Scope 3 emissions in 2023 by 12%** vs. 2022 and 3.7% vs 2019 baseline
- As of 2023, **93% of the Company's packaging is made from recyclable materials,** reinforcing its commitment to circular economy
