Fullyear operating income increased 10.3% and the margin expanded 60 basis points,as a reflection of good operating performance across most regions. Partially offset by the non-cash charges related to the adjustment of the Multi-Employer Pension Plans ("MEPPs") liability registered in the second and third quarters, as well as restructuring investments mainly in North America and extraordinary expenses in Brazil.

During the fourth quarter, the Company posted higher other expenses, due to strategic investments in restructuring mainly in North America and impairment charges for Ps. 1.1 billion, which were related to the portfolio optimization strategy in the US and the operations of Argentina and Brazil.

COMPREHENSIVE FINANCIAL RESULT
(MILLIONS OF MEXICAN PESOS)

Comprehensive Financial Result for the year totaled Ps. 8,560 million,22.4% higher when compared to 2018.Thisincrease was mainly related to a one-time expense from the US$600 million liability management transaction of the 2020 notes, a loss from the net monetary asset position in Argentina and the implementation of IFRS16.
