A warm blend of apple and cinnamon adds a seasonal twist to the classic breakfast staple

IRVING, Texas, April 29, 2026 /PRNewswire/ -- This spring, mornings are getting a whole lot sweeter with the introduction of the new, limited-edition Thomas®' Apple Cinnamon English Muffins. Designed to fit seamlessly into everyday routines and backed by more than 140 years of baking expertise, Thomas'® Apple Cinnamon English Muffins capture the taste of apples and cinnamon in each nook and cranny to deliver a seasonal twist on a breakfast staple.

Thomas'® Apple Cinnamon English Muffins feature real apple pieces and a hint of cinnamon spice, creating a subtly sweet flavor that stands out from traditional varieties and help to elevate your breakfast routine. The muffins toast to a lightly crisp exterior while staying soft inside, making them easy to enjoy on busy mornings or relaxing weekends.

"People want breakfast options that feel a little more elevated but still easy to incorporate into their day," said Nick Pitone, Director of Marketing for Thomas'®. "With our Apple Cinnamon English Muffins, we focused on bringing in a seasonal flavor while staying true to the texture and quality that define the brand, giving consumers something new without stepping too far from what they already enjoy."

Each pack includes six muffins. For more information, follow Thomas'® on **Facebook**, **Instagram**, **TikTok**, or explore **www.thomasbreads.com**.
