Question: Exposure of Suppliers to Water Risks
Include Modeled Scores : Yes

Exposure of Suppliers to Water Risks

Question

Does the company systematically track and map the exposure of its suppliers to water-related risks with a comprehensive water tool taking into account local physical water risks?

Rationale

Understanding water-related risks is not only important for companies' own operations, but also for those of their suppliers. With this question, we assess if companies have analyzed the exposure of tier 1 suppliers to water-related risks and how this exposure has been determined.

Performance Summary	
Question Level Company Performance	0
Question Weight	15
Year-on-Year Change	0
Industry Average Score	48
Industry Highest Score	100
