GRUPO BIMBO
REPORTS
THIRD QUARTER 2019 RESULTS

MEXICO CITY, OCTOBER 24, 2019

"Third quarter results reflected improved momentum, as we achieved healthy organic performance and double-digit growth in adjusted EBITDA. This was supported by investment behind our brands and rapid execution, as we remain dedicated to leveraging our global leadership and brand strength to drive long-term growth."

-Daniel Servitje, Chairman and CEO

"We are pleased with the improved trends and profitability seen across our regions, reaching record levels for a third quarter in adjusted EBITDA in Mexico and North America. We conducted a successful bond issuance and keep investing to drive growth and profitability, generate significant cash flow and deliver on our capital allocation strategy."

-Diego Gaxiola, CFO

Regional results do not reflect inter-company royalties and consolidated results exclude inter-company transactions.

Operating income declined 1.5% from the prior year and the margin contracted 30 basis points,

primarily due to a US$48 million non-cash charge related to the adjustmentof the Multiemployer Pension Plans ("MEPPs") liability to reflect current interest rate levels.

Excluding thiseffect, operating income rose 16% as a result of good operating performance in most regions and productivity benefits from initiatives, such as the organizational restructure implemented in Canada, among others.

COMPREHENSIVE FINANCIAL RESULT
(MILLIONS OF MEXICAN PESOS)

Comprehensive Financial Result totaled Ps. 1,975 million in the period, 7.3% higher than the

prior year. This increase was mainly due to a Ps. 232 million effect from the implementation of IFRS16.
